**...a team for today - fighting to save tomorrow!**

# CHAPTER TWO

THE GEOSQUAD WASTES NO TIME PUTTING ALL THE SUPER SURVEYING EQUIPMENT THAT'S BEEN FITTED TO THEIR MIGHTY MECHS TO GOOD USE. ALL AROUND THE CITY, THEY FIND AND FIX HAZARDS -- FROM PESKY PROBLEMS TO DEADLY DANGERS...

... STRAIGHTENING SKYSCRAPERS...

YOU THINK THEY WROTE THE PLANS FOR THIS BUILDING IN *ITALICS*!?

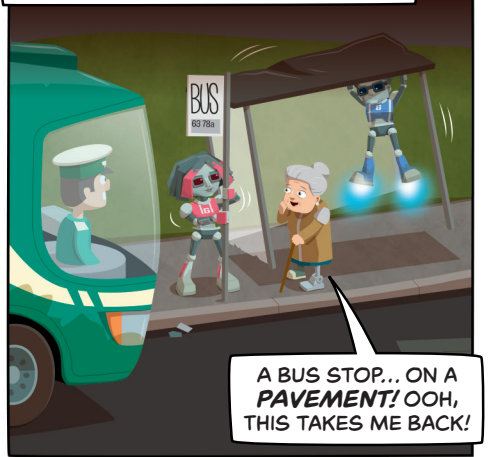

**WRENCH!**

... PATCHING UP PASSAGEWAYS...

HAPPY MOTORING! ENJOY NOT BEING TERRIFIED ALL THE TIME!

... BRINGING BACK BUS STOPS...

A BUS STOP... ON A PAVEMENT! OOH, THIS TAKES ME BACK!

... PLUGGING POTHOLES...

These mystery mechs have no trouble with the rubble! #GeoSquadGoals #TheStreetsAreFixed!

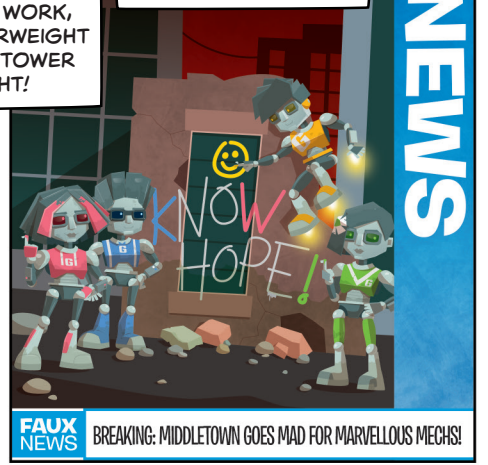

... STACKING STRUCTURES...

TEAMWORK MAKES THE DREAM WORK, AND COUNTERWEIGHT MAKES THE TOWER STRAIGHT!

**SCRAPE!**

... AMENDING ART...

**NEWS**

FAUX NEWS BREAKING: MIDDLETOWN GOES MAD FOR MARVELLOUS MECHS!

... DISENTANGLING DRAINS...

I FIXED THE SEWER SYSTEM! AND I SAW THINGS NO CHILD, OR ROBOT, SHOULD EVER SEE...

... CAJOLING CATS...

LET'S GET YOU BACK ON FIRMER GROUND, KITTY! NO CAT-ASTROPHES TODAY!

... FIXING THE FUTURE.

GEO GINGER -- CAN YOU START SCANNING THE ROADS? WE GOTTA DO SOMETHING ABOUT THIS SPAGHETTI HIGHWAY!

BACK IN THE PRESENT, HOWEVER, SOMEONE IS ABOUT TO INTRUDE ON THE GEOSQUAD'S PROGRESS...

CLASS 7

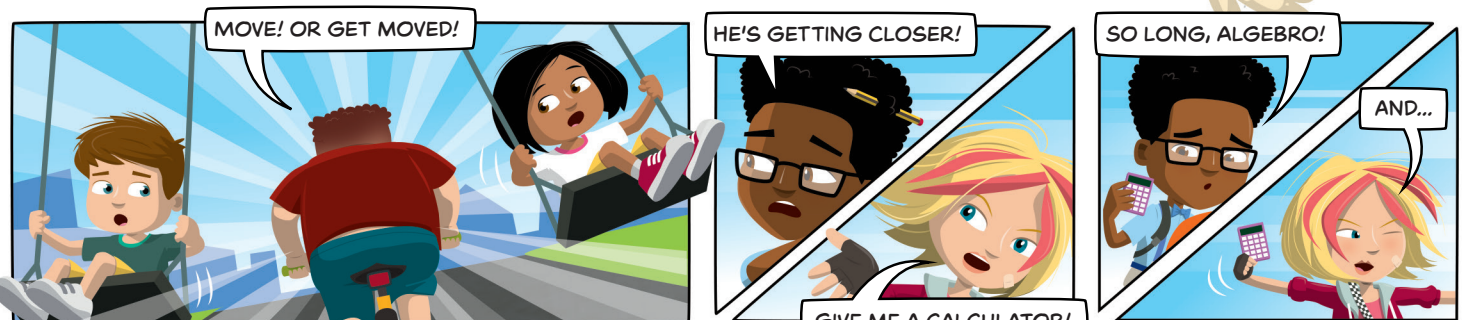

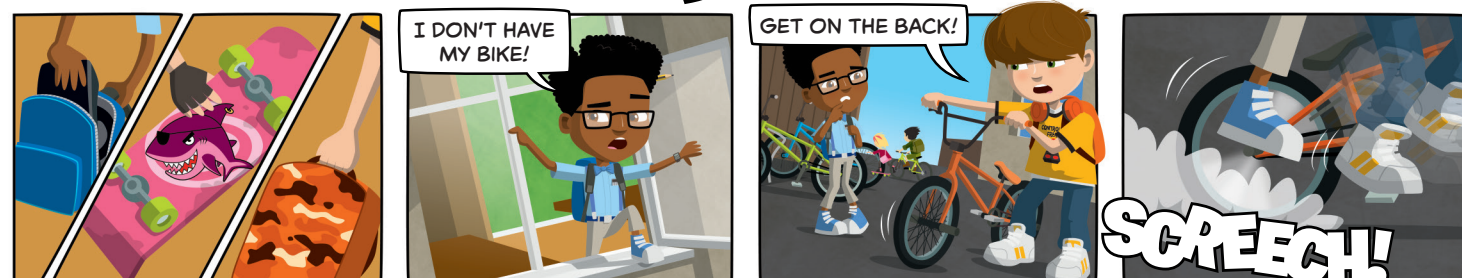

PLEASE NOTE: MR EVANS WILL BE BACK ON THURSDAY - UNLESS HIS LOTTERY NUMBERS COME UP.

OI! OPEN UP! I KNOW YOU FOUR DWEEBs ARE IN THERE... I WANT THOSE HEADSETS!

**BANG! BANG!**

A QUICK BIT OF PEDDALLING LATER...

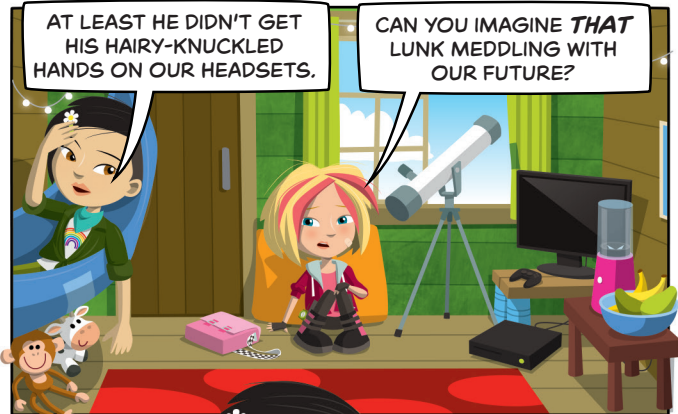

IT'S MORE LIKE A **RESORT** THAN A HOUSE! IT'S A **TREESORT!**

THAT WAS CLOSE! WHAT'S THAT GUY'S PROBLEM ANYWAY?

HOW LONG HAVE YOU GOT?

AT LEAST HE DIDN'T GET HIS HAIRY-KNUCKLED HANDS ON OUR HEADSETS.

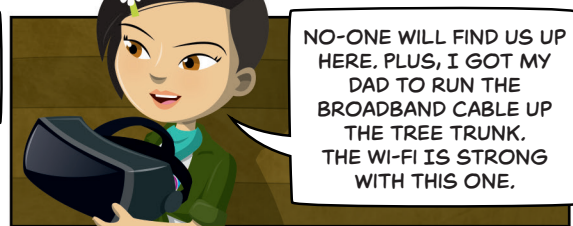

CAN YOU IMAGINE **THAT** LUNK MEDDLING WITH OUR FUTURE?

WE'VE GOT TO BE CAREFUL WHERE WE USE THESE THINGS.

AND WE NEED TO MAKE SURE WE AREN'T INTERRUPTED!

NO-ONE WILL FIND US UP HERE. PLUS, I GOT MY DAD TO RUN THE BROADBAND CABLE UP THE TREE TRUNK. THE WI-FI IS STRONG WITH THIS ONE.

WELL LET'S GET BACK TO THE FUTURE THEN -- WE'VE GOT ROADS TO FIX!

HMM... THIS ALL LOOKS A BIT **GREEN** FOR A CITY...

OH NO... GUYS... THIS LOOKS **TERRIBLE**.

>TITMENET CONNECTION ESTABLISHED<

GEOSQUAD! YOU'RE BACK! I AUTOPILOTED YOUR MECHS TO THIS LOCATION -- YOU'RE JUST IN TIME TO TAKE OVER!

HELP! PLEASE! I'M TRAPPED!

THE LANDSLIDE'S TRAPPED THAT FARMER IN HIS TRACTOR!

DON'T WORRY SIR! OUR MECHS WILL HAVE WHAT'S LEFT OF YOUR VEHICLE FREED IN NO TIME!

WAIT! DON'T MOVE THAT TRACTOR!

ERR... GUYS -- THE VOICE IN MY ROBOT'S HEAD IS BACK, AND IT SOUNDS PANICKY...

GROUND PENETRATING RADAR RESULTS SHOW THAT THE EARTH IS UNSTABLE. MOVING THE TRACTOR MIGHT TRIGGER ANOTHER LANDSLIDE!

GPR SCAN

PLEASE HURRY! I CAN HARDLY FEEL MY DIGITAL DIGITS!

IT MIGHT NOT BE SAFE TO MOVE THE TRACTOR! USE YOUR GPR SCANNERS TO EXPLORE BENEATH THE SURFACE...

WHOA! TRACTOR TUG ABORTED! ERM... PLAN B, ANYONE?

IF WE CAN'T MOVE THE TRACTOR, HOW ARE WE SUPPOSED TO FREE THE FARMER?

YOU'D BEST THINK OF SOMETHING QUICKLY, GEOSQUAD - BECAUSE THERE'S SOME CURIOUS COWS UP ON THE HILL...

WARNING! DANGEROUS MOOOVEMENT

...AND ONE OF THEM IS ABOUT TO SET THIS WHOLE DISASTER OFF AGAIN!

KWAME! SETSUKO! TAKE CARE OF THOSE BOTHERSOME BOVINES BEFORE THEY CAUSE A CALAMITY!

WE'RE ON IT!

MILES -- WE NEED TO FREE THAT FARMER!

I'VE GOT AN IDEA! HAVE YOU EVER TRIED OPENING A CAN OF BEANS... WITH A LASER CUTTER?

LAST ONE THERE'S  
A **COW-HERD!**

**Woom!**

LOOK! I'M SUPERMAN --  
AND THIS IS **MOOIS LANE!**

**NNGH!** YOUR TERRIBLE COW  
PUNS AREN'T MAKING THIS  
JOB ANY EASIER, SETSUKO!

PUT ME DOWN FOR  
TWO MORE ON YOUR  
**COW-CULATOR!**

...SERIOUSLY, I'VE  
GOT TONS OF THESE.  
I FIND THEM SO...  
**AMOOSING!**

**DUCK DOWN! AND HOLD ON TO  
THAT RATHER FETCHING CAP...**

...WE DON'T WANT TO SAVE ALL  
YOUR COWS, JUST FOR YOU TO  
END UP AS ROAST BEEF!

**Vzzz!**

IS THAT ALL  
OF THEM?

YOU ARE CORRECT -  
ALL THE ROBOCOWS  
ARE CLEAR OF THE  
SLIDE HAZARD... BUT  
WHAT ABOUT THAT  
**CYBERSHEEP?**

I THINK SO!

**CLUNK!  
CLACK!**

**OMINOUS  
SOUNDS!**

**NO! WE NEED  
MORE TIME!**

**INCOMING!!**

**RUMBLE!**

**KABAM!**

EVENTUALLY, THE MONSTROUS MUDSLIDE SLITHERED TO A STOP, LEAVING DESTRUCTION, DEVASTATION, AND CHUNKS OF DEMOLISHED DEBRIS IN ITS WAKE - INCLUDING...

KWAME, LOOK! IT'S THE FARMER'S ARM!

GO! QUICK! GIVE THAT HAND A HAND!

NNGH!

WHAAAAAAA!  
I PULLED HIS  
ARM OFF!

POP!

DON'T WORRY, WE  
MANAGED TO SAVE  
THE **REST** OF HIM!

MADDY! MILES!  
...FARMER GUY!  
YOU'RE ALL OK!

APART FROM BEING CAKED IN  
**MUD!** AT LEAST, I **HOPE**  
IT'S MUD. YOU NEVER KNOW  
ON A FARM...

WELL THEN, I'D CALL  
THIS ANOTHER WIN FOR  
THE GEOSQUAD!

HOLD YOUR  
ROBOHORSES -  
THERE'S SOMETHING  
ELSE HERE.  
SOMETHING  
UNDERGROUND.  
USE YOUR CAVITY  
SCANNER TO LOOK  
BENEATH THE MUD.

EXTENDING CAVITY  
SCANNER. GOING  
DEEPER. DEEPER.  
NOTHING SO FAR.  
WAIT - THERE'S A  
HOLLOW... IT'S...

...IT'S FULL OF **INDUSTRIAL WASTE!**  
THERE MUST BE **GALLONS** OF THE STUFF!  
IT'S ALL BURIED UNDER THE FARM!

THAT'S WHAT CAUSED THE  
LANDSLIDE! THE GROUND WAS  
UNSTABLE BECAUSE SOMEONE'S  
BEEN USING THE FARM'S  
FOUNDATIONS AS THEIR OWN  
PERSONAL GARBAGE DUMP!

NOT JUST ANY 'SOMEONE'. I'VE  
SEARCHED THE MARKERS AND  
CODES ON THE CONTAINERS,  
AND THEY ALL TRACE BACK TO  
ONE ORGANISATION...

...THE SAME ORGANISATION THAT WAS BEHIND  
THE EXTERMINATION OF THE SURVEYORS!

TO BE CONTINUED...
